THE PROPERTY

Situated on the outskirts of the sought-after village of Pembury, this unique two-bedroom Grade II listed end-of-terrace home beautifully combines period charm with practical modern living. Ideally positioned within easy reach of Royal Tunbridge Wells, Paddock Wood and Tonbridge, the property offers excellent access to local amenities, transport links and countryside surroundings. From the moment you step inside, the home's warmth and character are immediately apparent. The inviting sitting room features exposed beams, an original quarry tiled floor and a striking brick fireplace with log burner, creating a cosy and welcoming atmosphere. An open-beam partition leads through to the dining room, where further character features continue alongside a second log burner, making this an ideal space for entertaining or relaxing evenings at home. To the rear of the property lies the impressive family kitchen — truly the heart of the home. Thoughtfully designed for both everyday living and social occasions, the space offers generous solid wood worktops, a central island with breakfast bar seating, traditional wood cabinetry, a butler sink and an electric Aga. Double doors open directly onto the patio and garden, seamlessly blending indoor and outdoor living during the warmer months, whilst a second front door leads directly to the garden and parking to the front. A convenient downstairs WC completes the ground floor accommodation. Upstairs, the property offers two well-proportioned double bedrooms, both continuing the charming exposed beam aesthetic. The second bedroom further benefits from extensive eaves storage cupboards, providing practical hidden storage space. The family bathroom is fitted with a vanity unit, WC and bath with shower over.

OUTSIDE

Set back from the main road, the property enjoys a large front garden laid mainly to lawn, together with generous off-road parking for 4–5 cars. The oil tank is discreetly screened behind fencing. To the rear, the home benefits from a substantial garden, predominantly laid to lawn with established planting throughout, along with a large patio area directly outside the kitchen — ideal for outdoor dining and entertaining. A spacious shed at the end of the garden provides excellent additional storage. This wonderful outdoor space is a real highlight of the home.
