**Apartments**  
The Old Police Station, Woodford Green, is an exceptional new development comprising a collection of contemporary one and two bedroom apartments alongside an exclusive terrace of three bedroom townhouses. Thoughtfully reimagined from the former Woodford Green Police Station, this landmark development perfectly combines heritage architecture with modern design in one of East London and West Essex’s most sought-after residential locations. All homes are covered by a 10-year ICW structural warranty, providing added peace of mind for buyers.

Set moments from Epping Forest and surrounded by attractive tree-lined streets, the apartments offer stylish, low-maintenance living with excellent connectivity into Central London. Woodford Central Line Station is within easy reach, providing direct access to Liverpool Street, Bank and the West End, whilst the A406, M11 and M25 are all conveniently accessible.

The apartments have been carefully designed to maximise natural light and contemporary living, with spacious open-plan kitchen and reception areas, elegant bathrooms and well-proportioned bedrooms. Many homes benefit from private terraces or balconies, while residents also enjoy beautifully landscaped communal gardens, secure bike storage and lift access within Sentinel House.

Finished to an impressive specification throughout, each apartment features bespoke fitted kitchens with integrated Bosch appliances, quartz worktops and sleek cabinetry. Contemporary bathrooms are complemented by porcelain tiling, illuminated mirrors and premium fittings, whilst energy-efficient air source heat pumps and MVHR ventilation systems provide comfort and sustainability for modern living.

Woodford Green continues to be one of the area’s most desirable neighbourhoods, known for its excellent schools, independent cafés, restaurants and abundance of green open spaces. Nearby South Woodford and Highams Park further enhance the lifestyle on offer, making The Old Police Station an outstanding place to call home.
