This lovely home offers a beautiful reception hallway, flooded with natural light, which gives access to the three principal reception rooms. To the front is a sitting room/office which could be ideal as a playroom. To the rear is a generous living room with a modern fireplace, with a living flame gas fire, and a sliding door leading to the south facing garden. Double doors lead to a dining room, again with a sliding door to the rear garden. This space is perfect for entertaining as both rooms seamlessly flow and give access to the garden.

The dining kitchen is ideal for family living, with two sets of sliding doors leading directly into the private garden. The kitchen has white units with complimenting black granite worktops and benefits from a dishwasher and a range of integrated appliances including a fridge, double oven and an induction hob. The kitchen gives access to a utility room, which then gives access to the integral garage.

To the first floor is a tall window which brings an abundance of natural light into the landing. The principal bedroom has been fitted with a bespoke headboard with built in lighting and storage and fitted sliding wardrobes give concealed entrance into the fully fitted dressing room (which could be used as a fourth bedroom). There is a fully tiled ensuite bathroom with contemporary fitted units and heated towel rail. There are two further double bedrooms and a modern house bathroom which benefits from a generous walk in shower.

One of the standout features of this property is the beautifully planned and maintained south facing garden. A generous paved patio spans the full width with direct access from the living room, dining room and kitchen making this a perfect space for outdoor entertaining. There is a selection of mature trees and planting, creating a great degree of privacy. To the front of the property is a further lawned garden making a really pretty approach.
