This NON STANDARD detached two-bedroom bungalow, offered with NO ONWARD CHAIN, occupies a substantial plot of approximately 0.5 ACRES and provides a gross internal area of circa 1,011 sq ft. Originally constructed in 1952 with a timber frame and subsequently modified, the building is classified as non-standard construction, and a STRUCTURAL SURVEY IS AVAILABLE for inspection upon request. The internal accommodation requires comprehensive modernisation, noting specifically that there is currently no functional boiler on the premises. Utilities include a private waste pump system with a direct connection to the NEARBY wastage hub on Delph Road. The external grounds feature a variety of outbuildings and combined with the plot on offer there is significant potential for redevelopment, subject to the relevant planning consents from the local authority. Situated within a 15-minute drive of Lincoln City Centre, the property combines a large land holding with proximity to urban amenities and is suited to cash purchasers or specialist investors. Council tax band: B. Freehold.
