

4 Perdisswell Street, Worcester - WR3 7HZ

4 Perdiswell Street

Worcester

We're delighted to introduce this beautifully renovated two-bedroom home with no onward chain.

Thoughtfully renovated throughout to an exceptionally high standard, this stylish home combines contemporary comfort with character and practical living space. The property has undergone a comprehensive programme of refurbishment, making it an ideal move-in-ready opportunity for buyers seeking a home where the major works have already been taken care of.

The property features a good-sized lounge, presented with neutral décor to create a bright, welcoming and versatile space. Whether relaxing with family or entertaining guests, the lounge provides a comfortable setting that complements the modern finish found throughout the home.

At the heart of the property is a superb open-plan kitchen/dining/entertaining space, designed with modern living in mind. The brand-new kitchen features integrated appliances, including a fridge, freezer, dishwasher, oven and induction hob, creating a sleek and functional space for both everyday living and entertaining. A separate utility room provides additional practicality.

Upstairs, the property offers two well-proportioned bedrooms alongside a beautifully appointed brand-new bathroom. Further useful space can be found within the cellar, offering excellent versatility for storage or other purposes.

The renovation has been extensive, with a full electrical rewire and complete re-piping in copper, together with the installation of a new boiler located in the loft. The main roof has been stripped back and renewed with new felt and battens, while three roof structures have been fully rebuilt, incorporating 120mm insulation and ventilation. Velux windows have been installed in the bathroom and in the kitchen to create natural light in the home. Energy efficiency and insulation have also been carefully considered, with all external walls studded off using 2x2 timber framing to create a cavity, with 50mm insulation installed between the studs and insulated board fitted over the top. All windows and doors throughout the property are brand new, further enhancing the finish, comfort and efficiency of the home.

Outside, the property benefits from an enclosed rear garden, providing a private outdoor space to enjoy during the warmer months. With a brand-new kitchen and bathroom, new windows and doors, upgraded plumbing and electrics, extensive roofing works and a high-quality finish throughout, this is a fantastic opportunity to acquire a fully renovated home in Worcester ready to move straight in.
