Vendor comment's - "This was my first home I bought back in 2015, it's brought my mum and I many years of enjoyment. We especially love the views from the front bedroom across the valley and the private feeling you get in the garden space it's also worth noting the fact that the land to the rear can't be built on. At certain times of the year you can also see deer out the back too! It's just a lovely house in a quiet road which people only tend to need to access if they live there."
