With three bedrooms, generous living accommodation, a garage and a large driveway providing parking for multiple vehicles, this is a property that offers plenty of flexibility for both families and those looking for single-level living.

The accommodation is particularly well laid out, with a bright and welcoming reception room forming the main living space. The separate kitchen/dining room provides plenty of room for everyday meals and entertaining, with the adjoining conservatory adding another useful reception area and creating a pleasant connection to the outside.

There are three bedrooms, giving the property flexibility for family living, visiting guests or a dedicated home office. The principal bedroom is generously proportioned, while the additional bedrooms offer useful space without compromising the main living areas.

The bungalow benefits from both a family bathroom and separate shower room, which is a practical feature for a busy household. There is also excellent storage and circulation space throughout the property.

Externally, the property offers something increasingly sought after — substantial off-road parking, with the driveway providing space for multiple vehicles. There is also a garage, ideal for secure parking, storage or hobbies.

Being detached and chain free, the property offers a straightforward opportunity for a buyer looking to move without the complication of an onward chain. The single-storey layout also makes this an appealing option for buyers looking to future-proof their next home.

Situated on Havant Road, the property is well placed for enjoying everything that makes Hayling Island popular. The island's extensive coastline and beaches are a major attraction, with more than three miles of seafront offering opportunities for walking, sailing, watersports or simply spending time by the sea.

Solicitor Quotes

Choosing the right conveyancing solicitor is extremely important to ensure that you obtain an effective yet cost-efficient solution. The lure of supposedly cheaper on-line "conveyancing warehouse" style services can be very difficult to ignore but this is a route fraught with problems that we strongly urge you to avoid. A local, established and experienced conveyancer will safeguard your interests and get the job done in a timely manner. Bernards can recommend several local firms of solicitors who have the necessary local knowledge and will provide a personable service. Please ask a member of our sales team for further details.
