OUTSIDE

The FRONT of the cottage has a DETACHED SINGLE GARAGE with electric up and over door with remote control, a paved area provides off street parking, steps and a pathway lead to the front door, the remainder of the garden is laid mainly to well stocked deep borders

containing a mixture of trees with mature plants and shrubs. The majority of the garden contains herbaceous perennials providing a riot of colour in the spring and summer. There is a small area laid to lawn with access to the rear of the property up the side via a pathway. The front garden is enclosed by stone walling and an evergreen laurel hedge. The REAR garden has a courtyard area with access to a store room with power connected (currently housing a chest freezer and tumble drier) with storage cupboards and shelving. There are further mature trees including fruit trees, ash and hazelnut. A wooden shed is also included in the sale. There is also an area for seating. The rear garden benefits from bordering onto open fields. There is also a good sized vegetable garden NB There is potential for investigation to see if this area could be used as a building plot.
