Hillier Court

Hillier Court was built by McCarthy and Stone and comprises 40 one and two bedroom apartments purpose built for Retirement Living for the over 60's. There is a House Manager on site and a 24-hour emergency call system provided via a personal pendant alarm and with call points in the bathroom. The apartment features a fully fitted kitchen, lounge with balcony, bedroom with walk-in wardrobe, underfloor heating and separate shower room. The development facilities includes a Homeowners' lounge and beautiful landscaped gardens.

The House Manager is on site during working hours to take care of things and make you feel at home. There's no need to worry about the burden of maintenance as the service charge covers the cost of all external maintenance, gardening and landscaping, external window cleaning, buildings insurance, water rates and security systems. All energy costs of the laundry room, homeowners lounge and other communal areas are also covered in the service charge. For your peace of mind the development has camera door entry and 24-hour emergency call systems, should you require assistance. The Homeowners' lounge provides a great space to socialise with friends and family. If your guests have travelled from afar, they can extend their stay by booking into the development Guest Suite (usually for a fee of £25 per night - subject to availability). It is a condition of purchase that residents must

meet the age requirement of 60 years or over. Hillier Court benefits from a Co-operative store located on site. A bus stop outside the development provides links to the main High Street and historical market town of Romsey.
