Castle Road, ST. ALBANS

A well-presented three-bedroom terraced house on Castle Road in St Albans, offering bright accommodation over three levels including a converted loft. The ground floor provides two separate reception rooms, both finished in a clean, modern style with wood and tiled flooring, neutral décor and good natural light. The rear reception opens to a contemporary fitted cooking area with white units, integrated hob and direct access to the garden, creating a practical space for day-to-day living and entertaining. There are two bathrooms, each smartly finished with period-style sanitaryware and tasteful tiling, including a freestanding roll-top bath to one and a separate shower to the other. The converted loft forms an attractive bedroom with roof windows, generous head height and a light, open landing area. Further bedrooms are arranged on the first floor, all presented in good condition with a calm, neutral palette. Outside, the enclosed rear garden features a paved terrace and lawn with planted borders, providing usable outdoor space with low maintenance in mind. The traditional frontage with picket fence complements the character brickwork. Castle Road is well placed for St Albans city centre, with its varied high-street shops, cafés, restaurants and the historic cathedral. Clarence Park is within easy reach for green open space, tennis courts and play areas. St Albans City station offers fast rail links to London St Pancras in around 20–25 minutes.
