## Location

Welwick is a small rural village lying to the east of Hull in the Holderness area of East Yorkshire. Nearby amenities are available in Withernsea to the north, Patrington and Hedon to the west, as well as Hull at a further distance west.

The property has been much improved by the current owners and modernised with a view to being used as a children's home. An owner occupier will still benefit from much of the modernisation but is likely to want to adapt things cosmetically for personal use. The improvements include new uPVC windows and doors, a new gas central heating system, a new sewerage treatment plant as well as a new kitchen and updated sanitaryware. Much of the work has been completed though there is some more to do. A change of plans has led to the property being offered for sale. The accommodation comprises (for how it might be used a private home): an Entrance Hall, Snug, Office, a huge 600+sq ft L-shaped Living, Dining and Kitchen area with an island to the kitchen area and a range of fitted units, Utility Room and WC Cloaks/Shower Room. To the first floor is a spacious Landing, two large Double Bedrooms (1 en suite) a further Double Bedroom and two good sized Single Bedrooms as well as a Bathroom and separate WC. The property is reached by a private driveway from Humber Lane which opens onto an extensive area of gravelled car hardstanding. To the east side of the house there is a garage and attached 3 bay carport. The rest of the plot is a fenced-off paddock which lies to both the east and south of the house. This appealing property will have a range of different angles that will be of interest to various buyers. It is offered with no forward chain and an early internal inspection is highly advised. We do have a 360 degree tour available which will provide an excellent insight in the first instance.
