WELCOME TO BEMFICA

Bemfica was built circa 1955 on a generous plot with superb views. The name translates to 'a good living' in Portuguese. The bungalow has been held within the same family for just under 70 years and is located on the fringe of Gilwern village with a range of local amenities within walking distance. Rarely do properties set in such a superb location, offering an ideal balance of tranquillity and accessibility, come onto the open market. The bungalow is well presented and decorated in neutral tones, the principal living areas are flooded with light and enjoy an open outlook. Outside, generous lawns to the front flank the long driveway, to the rear is an attractive terraced garden and ample parking.

THE PROPERTY

Enter the welcoming, central entrance hall with doors leading to the principal living areas. The spacious sitting room has a large window to the front overlooking the front garden and enjoying spectacular countryside views, an inset gas fire creates a focal point of the room. On the opposite side of the hallway are the three bedrooms which are all neutrally decorated and benefit from built in storage, the two largest bedrooms benefit from dual aspect windows, again with superb views. A modern family bathroom serves the three bedrooms.

To the rear of the property is the kitchen fitted with a range of modern cupboards, a useful porch and a shower room. There is planning consent for a small rear extension.

OUTSIDE

The property is set well back from the road, approached through metal gates that open onto the long driveway. The front garden is predominantly laid to lawn and bordered by established shrubs and hedgerow, creating a generous outdoor space with views across the surrounding countryside.
