Set within the peaceful rural hamlet of Foxfield and boasting far-reaching views of Black Combe, Graylags is a beautifully proportioned four-bedroom detached residence offering elegant and versatile accommodation for modern family life. From its generous gardens and double garage, to its thoughtfully designed interior and fabulous views, this property presents a rare opportunity to acquire a truly idyllic country retreat in the Lake District's unspoilt south-western corner.

A welcoming, spacious porch sets the tone for the home – an ideal morning coffee spot with garden views. From here, the accommodation unfolds into a beautifully balanced and thoughtfully arranged layout. The main lounge is generous in size and centres around a charming feature fireplace, while the adjacent snug offers a quiet retreat, equally suited as a formal dining room or reading space.

The kitchen is well-appointed, with ample cabinetry and a picture window framing delightful views towards Black Combe. A separate, spacious utility room adds convenience and practicality. Completing the ground floor is a stylish wet room, providing flexibility for multi-generational living or guests.

Upstairs, the property offers four double bedrooms, each with its own character. The principal suite enjoys access to a private balcony with breathtaking panoramic views of Black Combe, along with a contemporary en-suite bathroom.

Positioned in the opposite gable end, the second largest bedroom features vaulted ceilings, Velux windows, and an en-suite WC. The elevated ceiling height and natural light create a dramatic yet calming ambience, perfect for soaking in the views by day and stargazing by night.

The expansive landing hosts a series of built-in storage cupboards and leads to a luxurious family bathroom, beautifully appointed with a freestanding bathtub and high-quality, elegant fittings throughout.

Externally the gardens are mostly laid to lawn, with a patio area perfect for alfresco dining. A private driveway provides parking for 2-3 cars, and the double garage with boarded attic space offers further potential – ideal for a studio, workshop or additional storage.
