## THE PROPERTY

Berehayes Holiday Cottages are in Whitchurch Canonieorum, a rural farming village close to the Jurassic Coast and has been run as a very successful holiday let business since 1985. The cottages are now all being sold off separately. This is a rare opportunity to own one as your own second home/holiday let there is no restriction on the length of stay but you must have a residential home elsewhere.

The eight barn conversions are set around an enclosed courtyard which was once a farmyard. Having been designed as holiday accommodation with open plan living areas, the decor of the cottages with country style handmade wooden kitchens, tie in with this part of the West Country. All are well maintained and double glazed throughout.

Cider Barn is a single storey stone barn which has high vaulted beamed ceilings throughout with velux windows to let the light flood in. A wood burner for cosy evenings by the fire. The open plan kitchen is fully equipped and there is a dining area. There are two bedrooms situated either end of the cottage. The spacious bathroom has a walk-in power shower.

## OUTSIDE

Designated, car park space and shared visitor spaces.

From the kitchen there is a door to the southerly facing 7 x 4m (approx) private, enclosed courtyard with table and chairs.
