Imagine waking up every day just a stone's throw from Clevedon's historic pier and elegant, sun drenched sea front. This stunning coastal apartment, recently highlighted as part of one of the UK's top all season seaside towns, offers a beautifully elevated lifestyle wrapped in modern elegance.

Stepping inside, a welcoming entrance hall flows effortlessly into a spectacular, light filled open plan living area. Thanks to its brilliant dual aspect design, the room is bathed in natural light, framing views that look up Leagrove Road alongside sweeping glimpses of the Bristol Channel. The heart of this social space features a beautifully integrated, high gloss kitchen equipped with premium appliances, making it just as perfect for intimate dinners around a six person table as it is for relaxed weekend lounging on a deep corner sofa.

The sophisticated styling continues into the rest of the home, which boasts two generous double bedrooms designed to be peaceful sanctuaries. Both rooms enjoy restful, elevated views over the surrounding coastal townscape, with the second bedroom offering peaceful glimpses of the nearby copse. Serving the home is a luxurious, boutique style shower room fitted with a king size enclosure and a sleek chrome ladder radiator, delivering a true spa like experience at home.

Complete with its own highly coveted allocated parking space at the rear of Dorset House, this stylish second-floor retreat perfectly captures the very best of coastal living, whether you are seeking a vibrant first home, a relaxed downsize, or a premium seaside investment.
