A 20 ft. square Drawing Room, plus a Kitchen/Dining Room extending to over 30 ft., 3 double bedrooms and a south facing rear garden having a depth of some 75 ft. This is a brief summary of this **INDIVIDUAL DETACHED FAMILY HOUSE** but is a long way off describing the full picture. Modernised over the years, the property has undoubtedly been upgraded with quality in mind with such features as pressurised hot water system, **Miele and Gaggenau Kitchen ware**, plus a replacement gas fired boiler in the dedicated Utility Room. Fitted with 'plantation' blinds the double glazed windows are timber framed adding to the character of the property whilst the main living areas at ground floor level have oak strip flooring and ceramic tiling.

The property is situated on the **private Summerley Estate**, with Felpham village centre approximately 3/4 of a mile away offering a range of local shopping facilities, pubs, cafes, schools and sailing club. Bognor Regis town centre lies approximately 1.5 miles further on, providing a wider selection of amenities, whilst larger centres including Chichester, Worthing and Brighton are all within reach. Mainline railway stations can be found at Bognor Regis and Barnham, providing access along the south coast and to London. The leisure opportunities of the South Downs National Park, along with the historic centres of Arundel and Chichester, are also within easy reach, whilst the renowned Festival of Speed and Revival at Goodwood provide added highlights to the local social calendar. If you are looking for an opportunity to improve on the quality already in existence, this is a property that needs to be seen to understand the possibilities within.
