The property also benefits from quick access to the M5 and A30, making it ideal for commuters.

## Inside the property

The interior of this well-presented townhouse has been thoughtfully arranged over three floors, offering a versatile and spacious layout ideally suited to modern living. Throughout the property, there is a consistent sense of light and proportion, with well-balanced rooms and a practical flow between spaces.

Upon entering the home, you are welcomed into a hallway that provides access to the principal ground floor accommodation. To the front, the kitchen is fitted with a range of modern units, offering ample storage and worktop space. The layout is both functional and efficient, catering well to everyday use while maintaining a clean and contemporary feel.

To the rear of the property, the main living room forms the heart of the home. This is a generous and bright space, easily accommodating a full range of furnishings while still feeling open and comfortable. Large French doors allow natural light to flood the room and provide direct access to the garden, enhancing the overall sense of space and creating an excellent connection between indoor and outdoor living.

The first floor continues the theme of well-proportioned accommodation, comprising two spacious double bedrooms, both benefiting from mirror-fronted built-in storage, providing excellent practicality while maintaining a sleek finish. One of the bedrooms features Juliet doors, adding both character and additional natural light, while also offering a unique connection to the family bathroom, allowing for a semi-private or Jack-and-Jill style arrangement. The bathroom itself is well-appointed and conveniently positioned to serve this floor.

Occupying the entire top floor, the principal bedroom suite is a particularly impressive space. Generous in size, the room offers ample floor area for bedroom furniture while maintaining a bright and airy atmosphere. A key feature is the extensive mirror-fronted built-in storage, providing excellent practicality without compromising on space. The room is further enhanced by its own en-suite shower room, creating a private and comfortable retreat away from the main living areas.

The property will also be sold with light fittings, curtains and blinds included, adding further convenience for prospective buyers.

Overall, the interior offers a superb combination of space, functionality and flexibility, making it well suited to a wide range of buyers.

## Location & Outside

## Outside & Location

Externally, the property offers a well-balanced combination of practicality, low-maintenance living and convenience, perfectly complementing the spacious interior.

To the rear, the home benefits from a private enclosed garden, designed to be both functional and easy to maintain. The space is ideal for outdoor dining, relaxing or entertaining, with direct access from the living room via French doors, creating a seamless transition between indoor and outdoor living. The garden provides a ???????? and manageable environment suitable for families, pets or those seeking a simple outdoor space without extensive upkeep.

A particularly valuable feature of the property is the garage, which benefits from a skylight, allowing natural light to enter the space and making it far more versatile than a standard garage. This area is ideal not only for secure parking and storage, but also lends itself well to alternative uses such as a home gym, workshop, office or hobby space depending on individual needs. Positioned conveniently, the garage also has a dedicated parking space directly in front, providing practical off-road parking for everyday use.

To the front, the property enjoys a neat and well-maintained approach, with easy access to both the entrance and parking area, enhancing overall convenience.
