It is our pleasure to introduce this most attractive mid-terraced house to the market following extensive refurbishment and improvement by the current owner.

Located in a delightful off-road position within close proximity to the seafront, this bright and deceptively spacious home is configured with; three bedrooms; generous lounge/dining room encompassing a wood burning stove; stylish 'shaker' style fitted kitchen with a range of integrated appliances; contemporary shower room with Victorian style fitments; and a ground floor cloakroom.

Outside, there is a well-enclosed 'courtyard' style rear garden with pedestrian access from the rear, and an open-plan front garden offering a pleasant southerly aspect across a communal garden.

Additional features include an inviting entrance hall with ornate tiled floor; private garage within a nearby compound; gas central heating; uPVC double glazing; water softener; drinking water filter system; and striking composite cladding on the front elevation.
