By law, we are required to conduct anti-money laundering checks on all potential buyers and sellers, and we take this responsibility very seriously. In line with HMRC guidelines, our trusted partner, Coadjute, will securely manage these checks on our behalf. Once an offer is accepted (subject to contract), Coadjute will send a secure link for you to complete the biometric checks electronically. A non-refundable fee of £45+ VAT per person will apply for these checks, and Coadjute will handle the payment for this service. These anti-money laundering checks must be completed before we can send the memorandum of sale to the solicitors to confirm the sale. Please contact the office if you have any questions in relation to this.

We can confirm that if we are sourcing a quotation or quotations on your behalf relevant to the costs that you are likely to incur for the professional handling of the conveyancing process. You should be aware that we could receive a maximum referral fee of approximately £240 inc VAT should you decide to proceed with the engagement of the solicitor in question. We are informed that solicitors are happy to pay this referral fee to ourselves as your agent as it significantly reduces the marketing costs that they have to allocate to sourcing new business. The referral fee is NOT added to the conveyancing charges that would ordinarily be quoted.

The same also applies if we have introduced you to the services of surveyors who we are confident will provide you with a first class service relevant to your property needs, we will again receive a maximum referral fee of £200 inc vat. This referral fee does not impact the actual fee that you would pay Green Street Surveys had you approached them direct as it is paid to us as an intermediary on the basis that we save them significant marketing expenditure in so doing. If you have any queries regarding the above, please feel free to contact us.
