Loved by the same family since the 1980s, it's a home that has seen decades of laughter, milestones and everyday moments — and now it's waiting for its next chapter.

Step inside and you'll find space in all the right places. A welcoming entrance porch leads through to a lovely size dining room which is made for everything from Sunday roasts to midweek catch-ups. The well-appointed kitchen offers plenty of storage and workspace, and to the rear, a bright sun room brings in natural light and garden views — ideal for a morning coffee or a quiet escape. There's also a handy utility room, because real life needs practical spaces too.

Upstairs doesn't disappoint, with three well-proportioned bedrooms that give everyone their own corner of calm, alongside a smartly fitted shower room designed for easy everyday living.

Outside, the mature rear garden offers a peaceful retreat with room to relax, play or potter, while the front garden adds to the home's welcoming feel. There's also the added bonus of a council-rented parking space at approximately £130 per year — a small detail that makes a big difference, and one that can be passed on to the new owner.

Perfectly placed for Tilbury train station and the town centre, everything you need is within easy reach — making this home as convenient as it is charming.

Homes like this don't just offer space, they offer a story. The only thing missing now is who gets to write the next chapter.
