Simpson & Weekley

“Impressive Garden Office” This individually built, five bedroom detached family home is located on the prestigious ‘Hayway’ – just a short walk from Rushden Lakes, and is securely set behind electric gates. The property is entered via an entrance hall with double doors to the primary living room where you will find a partially vaulted ceiling with skylight windows, bi-fold doors to the garden and a walkway through to a large, open plan kitchen/dining/family room where French doors to both the side and rear add additional light to the already light and airy reception space created by the front and skylight windows. There is also a ‘workers kitchen’ with access to a utility area and sauna, access to the integral double garage, a modern fitted cloakroom and office/sitting room completing the ground floor accommodation. To the first floor the galleried landing provides access to all principle first floor rooms to include a refitted four piece family bathroom and five bedrooms with an en-suite to the master bedroom. Externally there is an enclosed front garden with boundary brick walling, block paved off road parking for several cars, access to a double garage, garden areas with water feature and electric gates to the street. To the rear the enclosed rear garden is mainly laid to lawn with a paved patio area and a stunning, garden office with roofed veranda, ft x ft office room with bi-fold doors overlooking the garden. Insulated and with air condition, double glazing, ceiling downlighters, a kitchen and shower room this garden office provides an ideal space for several people to work, to be used as a large games room or a number of other uses. A fantastic property that has to be seen to be appreciated. Wellingborough railway station is just a few miles drive from the property where a direct train can get you into the capital in under an hours journey. EPC Rating Ordered, Council Tax Band G
