Get to know the property

This mid terrace house on Franklin Street, currently let as a 3 bed student HMO, would also make a fine 2 bedroom, 2 reception room home. Double glazed throughout with a fully insulated loft space, the house had an A rated boiler installed in 2021 with a 10 year warranty. The slate roof and lead work were completely renewed in October 2022.

The ground floor front room is a bedroom at the moment but would easily revert to a large sunny living room or office space. The second reception room with a roomy under-stair cupboard leads into the modern fitted kitchen.

Upstairs are two good-sized bedrooms and a spacious bathroom. The external wall of this bathroom is also insulated with 75mm kingspan to keep this room warm and cozy. There's a large airing cupboard which houses the 2021 combi boiler and a large landing cupboard, so plenty of storage space here.

Outside is the sunny rear yard has a brick shed for more storage and is also fully plumbed and wired for a washing machine and tumble dryer.

The house is bang up to date with all of its gas and electrical certification.

Situated in an ideal location, this property is conveniently close to transport links and local schools, making it perfect for families and commuters alike. With its blend of modern amenities and traditional charm, this terraced house on Franklin Street is a wonderful place to call home. Don't miss the chance to view this delightful property and envision your future in Lancaster.
