Kensington Road, Southend-On-Sea Guide price £600,000

Aspire are pleased to present this substantial six-bedroom semi-detached character home, offering impressive internal space, flexible living arrangements and excellent family accommodation across three floors.

The ground floor provides fantastic versatility, with a generous lounge offering the option to be arranged as two separate reception areas if desired. There is also a ground floor bedroom with its own en-suite, making it ideal for multi-generational living, guests, older children or those needing bedroom space on the ground floor. Alternatively, this room could be used as a separate reception room, depending on the buyer's needs.

To the rear, the property benefits from a large conservatory, creating a bright additional living space overlooking the private, low-maintenance rear garden.

To the first floor, there are three well-proportioned double bedrooms, a family bathroom and a separate WC. The second floor provides two further double bedrooms, a three-piece bathroom and useful eaves storage.

Externally, the property benefits from a detached garage with power, offering excellent potential as a workshop, studio, gym or additional storage. To the front, there is a driveway providing off-street parking for multiple vehicles.

Further benefits include CCTV and a highly convenient Southchurch location, within catchment for Greenways Junior School and Southchurch High School, while also being well positioned for Southchurch Park, Southend Seafront, local amenities and Southend East Train Station.
