AGENT'S NOTE

The property benefits from an efficient solar panel system, which provides immediate savings on day-to-day electricity bills. The system is held on a secure agreement with Anesco, with just 9 years remaining on the lease term. This allows an incoming purchaser to enjoy the immediate financial benefits of reduced utility costs without being locked into a lifetime contract commitment. Full details of the lease, including the straightforward transfer procedures and comprehensive maintenance coverage handled by Anesco, are available upon request through our office.
