Situated in a highly convenient position just moments from the South West Coast Path and within easy level walking distance of Bideford town centre, 14 Riverbank Cottages is a beautifully renovated Victorian home that effortlessly combines period charm with contemporary style.

Having undergone an extensive programme of refurbishment by a highly regarded local builder, the property has been finished to an exceptional standard throughout and is ready for immediate occupation. Arranged over three floors, the accommodation is light, airy and deceptively spacious, making it an ideal permanent residence, coastal retreat or investment opportunity.

The accommodation begins with a welcoming entrance opening into an impressive open-plan sitting and dining room. Finished with engineered oak flooring throughout, this stylish space provides a warm and inviting setting for both everyday living and entertaining. To the rear, the newly fitted Howdens kitchen is beautifully appointed with a comprehensive range of contemporary units, generous worktop space and integrated appliances, while a door provides direct access to the rear garden.

An attractive oak staircase rises to the first floor, where there are two generously proportioned double bedrooms together with a beautifully appointed family bathroom, all presented in a fresh, modern and neutral style.

Occupying the second floor is a versatile loft room, flooded with natural light from roof windows, making it an ideal home office, hobbies room or playroom. Whilst it would also serve well as a study or occasional guest bedroom, prospective purchasers should note that this room is best regarded as ancillary accommodation or useful storage space.

Externally, the property benefits from the considerable advantage of private off-road parking to the front. To the rear is a fully enclosed courtyard garden, thoughtfully designed for low maintenance and privacy, creating an ideal space for al fresco dining, entertaining or simply relaxing with a morning coffee.
