The internal accommodation comprises: access to the apartment via a secure communal entrance, with stairs leading up to the first floor and the apartment entrance hall. The entrance hall provides access to the bathroom, second double bedroom, and the impressive open-plan living room, kitchen, and dining room.

The open-plan living room, kitchen and dining room is a substantial and distinctive space, featuring exposed timber beams, original painted brickwork, exposed steelwork and extensive industrial-style windows. The generous proportions provide ample space for separate lounge and dining areas, with the large windows drawing in plenty of natural light and offering views towards the surrounding historic architecture, river, and castle. The kitchen is fitted with contemporary white units, integrated appliances, a built-in oven and microwave, an extractor hood, and tiled flooring.

The main bedroom is accessed from the living space and is a generous double room with full-height industrial-style windows, exposed timber beams and original painted brickwork. It benefits from direct access to its en suite shower room. The second double bedroom is also accessed from the living space and is well proportioned, with large windows and exposed timber beams. The main bathroom is fitted with a bath and shower over, WC, wash hand basin, fitted storage, and distinctive turquoise mosaic floor tiling.

Externally, the converted building benefits from secure gated access and allocated parking. Residents also have access to an attractive communal terrace, featuring paved seating areas, raised planters, mature planting, and timber benches, providing a well-maintained outdoor area within this distinctive city centre development.
