a double wardrobe, as well as a built-in sliding door high-level wardrobe and storage cupboard. Two Velux double glazed roof lights offering spectacular views as before and a double radiator.

EXTERIOR

The property is accessed over a cattle grid with stone wall to either side onto a brick paved driveway which offers excellent parking and turning space for several vehicles. With further parking in the under house double garage and a separate detached garage with an inspection pit. The gardens are to the front of the property and are beautifully presented and maintained, with a southwest facing elevation perfect for afternoon and evening sunlight, offering far reaching views over the beautiful surrounding countryside. To the lower end of the garden there is a well-tended paddock with pedestrian gate access and a gate to the road. The paddock area is again well maintained and presented offering a valuable benefit to the property with a stable building and canopy to the upper corner. Adjacent is an excellent storage shed ideal for garden equipment mowers etc. The formal garden area is grassed with stepping stones leading to a point for a central clothes dryer. There are two patio sitting areas positioned to benefit the beautiful views, and the remaining garden is well stocked with a variety of well-maintained shrubs and bushes with an ornamental tree to the lower grassed area with a bench seat around the base on paving, making a lovely feature. The side patio has an outside water tap. Steps up to a terrace balcony seating area with the oil storage tank for the heating system under. The upper terrace is a fantastic area with glass balustrade and offers a perfect area for outdoor dining and entertaining with patio doors to the kitchen. From here there is gated access to the side of the property leading to the back door which is covered and has recycling bin storage space. Please note that the property has a right of access for maintenance to the rear and for the gardens situated to the front.

DOUBLE GARAGE

Located under the house and accessed through an up and over door. The garage has wall cupboards and a workbench, to the side is the floor standing oil fire boiler for the central heating and hot water systems. A well-proportioned garage ideal for parking vehicles, with ample storage and workshop space around.

GARAGE

An excellent detached block-built garage with a pitched and slated roof and a double glazed window at the gable end. Workbench to the end, an electric fan heater and electric, light and power points; making an excellent single garage.
