£225,000 Freehold

The Property

1 Mill Street is a great opportunity to acquire a freehold commercial building in the centre of town with great access to amenities and other local businesses. The property itself comprises a large entrance and retail area with a glazed double fronted window, a kitchenette to the rear of the property, a large landing space on the first floor, a w.c and two office spaces. The property is centrally heated throughout by a new gas boiler with underfloor heating downstairs and radiators upstairs. Fowlers strongly recommend viewing this property.

Situation

1 Mill Street is located just off the square opposite the hardware store. There is virtually immediate access to all the superb amenities on The Square and being a modest sized town, everything else is close by too. The town offers a wide variety of day to day and specialist shops, cafes, four pubs and restaurant. There are surgeries for doctor, dentist and vet, a Parish church, Roman Catholic church and chapel, a library and good sports facilities with a football and cricket pitch, a smart clubhouse pavilion, tennis club, bowling club, skate park, children's play area and an open air swimming pool in the summertime. The A30 dual carriageway is only about 5 miles distant and Exeter is approximately 20 miles via the A30.
