Potential two storey Annexe accommodation

The property has the potential for multi generational living in its current layout with the rear portion of the main house offering the potential for annexe style accommodation set on two floors utilising the ground floor office and store room with two first floor bedrooms and bathroom with separate w.c. to the first floor.

PROPERTY DESCRIPTION

Outside

To the front of the property is a good size garden area laid to lawn. Former brick built privy and to the left hand side is a long sweeping driveway leading to the rear and giving access to the adjoining outbuildings.

Set between the house and the outbuildings is a large concrete parking area and to the rear of the outbuildings is a paddock area extending to approximately 1.5 acres.

Outbuildings

Located to the rear of the property extending to approximately 4000sqft and offer great potential to be used for a variety of different purposes subject to any necessary consents.

The buildings would appear suitable for the creation of annexe accommodation, Air B&B and the running of a small business.

Agents Note

We understand that the property currently uses a septic tank sewerage system which will be located within the boundary of the adjoining property. The owners of the adjoining property have indicated they would be happy to come to an arrangement with any purchasers of Chelsea Farm to continue usage of the septic tank system however it is recommended that any potentially interested parties speak to the drainage board with regards to whether the existing system is up to current specification or whether the system would need to be replaced with a new system.

Uplift Clause

The land to the north-east of the property is to be subject to a 20 year uplift of 10% in any enhanced value on the grant of any planning permission and 20% on any final development value.
