THE DWELLING

Constructed in the early 2000s, this residence occupies a prime position within a sought-after development, thoughtfully finished with contemporary design and nestled within a walled garden that once formed part of a local manor house estate. Designed with space and light in mind, the property offers three double bedrooms, with the master benefitting from an ensuite. The ground floor comprises two well-proportioned reception rooms, a kitchen/breakfast room, and a utility/cloakroom.

ACCOMMODATION

A spacious entrance hall sets the tone for the home, offering ample room and featuring solid wood doors throughout. A utility/cloakroom sits to the rear of the hall, providing space for white goods. From the entrance hall, there is access to the dining room, which also incorporates the staircase. The kitchen features solid wood cabinetry with integrated appliances and ample space for dining furniture, complemented by a floor to ceiling window that floods the room with natural light. To the rear, the living room enjoys an abundance of natural light, featuring high ceilings and sliding doors that open directly onto the garden.

The first floor opens onto a spacious landing that provides additional storage and is currently utilised as a study area, enhanced by skylights that flood the space with natural light. The master bedroom features built-in wardrobes and an ensuite shower room. The second bedroom is another generously sized double room with built-in wardrobes, while the third bedroom also accommodates a double bed comfortably. The family bathroom offers a large suite along with an expansive storage cupboard.

GARDEN

An idyllic walled garden sits directly off the living room, featuring a patio area adjacent to the property, with the remainder laid with gravel and bordered by raised flowerbeds that provide structure to the space.

To the front of the property, a carport provides parking for one vehicle along with additional storage space.
