

Hill Street Donisthorpe

- Substantial plot with planning permission
- Full planning for three detached homes
- Proposed plans of over 2,000 square feet each
- Popular village location with an array of amenities
- Ideal location with good transport links
- Multiple local schooling options
- Planning reference: 23/01242/OUT
- Tenure: Freehold

An exceptional opportunity to acquire a substantial development plot in the sought-after village of Donisthorpe, benefitting from outline planning permission for the construction of three impressive detached executive residences.

Positioned within an attractive semi-rural setting, the site enjoys an excellent balance of countryside surroundings and everyday convenience.

Donisthorpe offers a welcoming village environment with a range of local amenities close at hand, including schooling, shops, leisure facilities, woodland walks, and nature parks, creating a desirable location for family living.

Planning

Outline planning consent has been granted for three substantial detached homes arranged side-by-side and approached via a sweeping shared driveway. Full details can be viewed through North West Leicestershire District Council under application reference 23/01242/OUT.

The approved scheme proposes three contemporary family homes extending to approximately 2,000–2,400 square feet each, designed to provide spacious and versatile accommodation, with four bedrooms, attractive modern living spaces, and thoughtfully proportioned layouts. Externally, each property is set to benefit from generous gardens, together with off-road parking and garaging provision for up to three vehicles.

The site presents a compelling opportunity for developers, investors, or self-build purchasers seeking a well-positioned project in an increasingly desirable location. In our opinion, the anticipated completed value of each dwelling is expected to be in the region of £750,000, subject to final specification and market conditions.

A rare opportunity to secure a ready-to-progress development site with excellent future potential in an established village setting.
