FOR SALE BY INFORMAL TENDER. All offers must be submitted in writing no later than 12 noon on 14th May 2026. An excellent opportunity to acquire a building plot (westerly aspect) in excess of half an acre, situated along the highly regarded The Ridge in Little Baddow. The plot benefits from planning permission, for the erection of a new detached dwelling together with associated access arrangements (Planning Reference: 24/01702/FUL). The site occupies a semi-rural position between established detached properties, offering a private and well-screened setting whilst remaining conveniently placed for Chelmsford and surrounding villages. The planning permission is subject to conditions, details of which are available within the decision notice. Further information, including plans, decision notice and supporting documents, are available upon request.

Location

The Ridge is one of the area's most desirable roads, known for its individual homes, generous plots and semi rural feel.

Planning Details

Full planning details can be found on Chelmsford City Council planning portal using reference 24/01702/FUL.

Driveway

We understand the owner will construct a new driveway entrance, with works to be carried out in conjunction with the proposed purchaser, subject to agreement.

Biodiversity Net Gain (BNG)

Biodiversity Net Gain (BNG) is a standard planning requirement for new developments, requiring at least a 10% improvement in biodiversity. For this plot, this is estimated at approximately 1.2 units, which can typically be achieved through a combination of on-site landscaping and/or the purchase of off-site biodiversity credits. This is dealt with via a Biodiversity Gain Plan approved prior to commencement of development, and buyers should allow for an additional cost as part of the build process.
