DESCRIPTION

Tucked away within a popular and well-established development on the edge of the charming market town of Halesworth, 17 Pond Lane is an attractive detached Scandinavian-style timber lodge, completed in 2015 and offering beautifully presented single-storey accommodation with exciting scope for future enlargement (subject to the necessary consents).

The property has been exceptionally well maintained and benefits from quality fixtures and fittings throughout, creating a light, comfortable and low-maintenance home equally suited as a permanent residence, weekend escape or investment opportunity.

The welcoming entrance hall leads through to a bright dual-aspect sitting room where a contemporary wood-burning stove provides a cosy focal point, perfect for relaxing throughout the seasons. The spacious kitchen/dining room is well-appointed with an excellent range of fitted units, integrated cooking appliances and ample space for dining, while sliding patio doors open directly onto the private courtyard garden, creating an effortless connection between inside and out.

The bungalow offers two generous double bedrooms served by a stylish family bathroom finished with a modern white suite. Electric radiator heating, full double glazing and quality floor coverings throughout ensure comfort and practicality, while the generous roof space offers the potential to create additional first-floor accommodation, as several neighbouring properties have successfully achieved, subject to obtaining the appropriate planning permission and building regulations approval.

Outside, the property enjoys an attractive setting with off-road parking for two vehicles and a neatly landscaped front garden planted with specimen trees. A gated pathway leads into a delightful enclosed courtyard garden, thoughtfully designed with paved seating areas, raised planting beds and gravel borders filled with established shrubs, providing an ideal space for outdoor dining, entertaining or simply enjoying the sunshine in complete privacy. There is also an outside tap, power point and useful gravelled areas offering space for garden storage or additional landscaping.
