Outside

THE BUNGALOW: The driveway leads from a gated entrance up to level parking for multiple vehicles. There is a small grassed area to one side of the drive, planted with shrubs and bushes, and steps lead to a path to the front door on the other. At the front is a private level lawn surrounded by mature shrub borders giving plenty of colour all year around. The path then leads to the side where there is a gravelled space for the washing line, and a shed. Rustic steps lead to a private gravelled seating spot big enough to enjoy your favourite tippie in the sunshine while enjoying the view over the Church and Dartmoor. The path then leads around the back again to meet the drive. **THE LAND:** Situated just around the corner with far reaching views over the countryside, the land measures approximately 11 Acres, and is separated into approximately 8 acres of pasture land with mains fed water trough and electric fencing powered by solar panels and generator, with the rest given to peaceful woodland and plenty of wildlife. There is large barn with plenty of natural light that contains 5 x 12'x12' loose boxes, along with a tack/feed store and plenty of hay storage.

Location

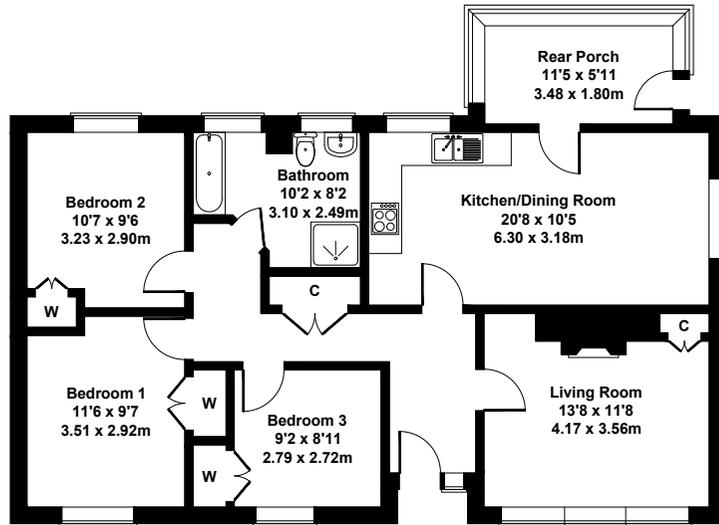

The bungalow and separate land are both situated a stones throw from St Marys Church and Mary Tavy Primary School as well as within easy access to open countryside and moorland for those who enjoy walking and cycling.
