DESCRIPTION

Believed to date back to the 17th century, Suffolk Cottage is a beautifully presented Grade II listed home, rich in character and retaining period features, including exposed beams and a log burner. Combining historic charm with well-appointed accommodation, the cottage offers light-filled and well-proportioned living spaces throughout. Situated in the heart of the highly sought-after village of Woodbury, the accommodation comprises two bedrooms, a fitted kitchen, bathroom, utility room and a versatile attic room, together with a delightful front garden.

ACCOMMODATION

Upon entering the property, you are welcomed into a spacious and light-filled sitting/dining room, centred around an attractive fireplace with a wood-burner and enjoying views over the front garden. Leading off to the right is a beautifully appointed kitchen, fitted with a Belfast sink, wooden base units, an integrated dishwasher, an oven with gas hob over, and useful open shelving.

Stairs rise from the sitting/dining room to the first floor, where there are two well-proportioned double bedrooms, one benefiting from fitted wardrobes and overlooking the garden. Also on this floor is a generously sized family bathroom, fitted with a shower, free standing bath tub, wash basin and WC. On the second floor, a versatile attic room provides excellent additional space currently used as a bedroom.
