Double wooden gates open onto a further driveway, leading to the carport and garage. The garage is accessed via an up-and-over door and benefits from power and lighting, together with a personnel door providing direct access to the garden.

The enclosed rear garden is predominantly laid to lawn, with a combination of paved and gravelled areas providing ample space for outdoor seating and entertaining. Well-stocked planted borders, established shrubs and a charming ornamental pond add colour and interest throughout the garden, while a selection of mature trees provides an attractive backdrop.

A range of timber outbuildings and covered areas offer useful storage and additional versatility, with further space for growing and planting. The garden is enclosed by timber fencing and also benefits from outside water taps, making it both an attractive and practical outdoor space.
