Courtlands Avenue, TW12

An impressive six bedroom family home with a fantastic open plan kitchen and living space, a large south facing garden, off-street parking and a garage.

The kitchen is the real heart of the home, with a large central island, plenty of space for dining and relaxing, several roof lights and bi-folding doors opening directly onto the garden. It is a great everyday family space but works just as well for entertaining.

There are two further reception rooms, giving the ground floor a really flexible layout, along with a separate utility room and an additional bedroom which could also work well as a study, playroom or guest room. Upstairs are five further bedrooms and two bathrooms, with plenty of built-in storage throughout.

Outside, there is a private rear garden, off-street parking and a garage, completing what is a very practical and well laid out family house.

Courtlands Avenue is a wide, premier, tree lined road just a short walk to Hampton Village with its local cafés and shops. A choice of excellent schools both state and private are all nearby.
