

12B, Oakwood Road, Bournemouth, BH9 3DF

Property overview

Guide Price £425,000

A unique chalet-style semi-detached home occupying a particularly generous and widening plot in Oakwood Road, Moordown. Offering versatile accommodation across two floors, the property combines well-proportioned living space with an unusually spacious rear garden, a private wooded backdrop, and ample off-road parking.

The ground floor comprises an entrance hall with airing cupboard and under-stairs storage, a semi-open-plan kitchen/lounge/dining room, double bedroom, bathroom and separate WC. Upstairs, the landing leads to two further double bedrooms and an additional WC.

Outside, the property benefits from generous driveway with parking for several vehicles, an established front garden and a detached garage/workshop. A further detached outbuilding, currently used as a home office, provides useful additional space for working from home, hobbies or storage.

To the rear, the plot widens considerably to create a generous garden, principally laid to lawn with additional raised decking areas, and enjoying a private, leafy outlook onto the wooded surroundings. The property is conveniently located for Castlepoint Shopping Park, Royal Bournemouth Hospital, sought after Queen's Park, Redhill Park and the Stour Valley Nature Reserve, with a good selection of schools also within the surrounding area. There is also easy access to the wider road network and Bournemouth town centre.

Further benefits include double glazing and gas-fired central heating, and a feature log-burner.

Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions \(https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance\)](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance).

Energy rating and score

This property's energy rating is D. It has the potential to be B.

[See how to improve this property's energy efficiency.](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

the average energy rating is D
the average energy score is 60

Score	Energy rating	Current	Potential
92+	A		
81-91	B		86 B
69-80	C		
55-68	D	64 D	
39-54	E		
21-38	F		
1-20	G		

MONEY LAUNDERING REGULATIONS 2003 intending purchasers will be asked to produce identification and proof of financial status when an offer is received. We would ask for your co-operation in order that there will be no delay in agreeing the sale. THE PROPERTY MISDESCRIPTIONS ACT 1991 The Agent has not tested any apparatus, equipment, fixtures and fittings or services and so cannot verify that they are in working order or fit for the purpose. A Buyer is advised to obtain verification from their Solicitor or Surveyor. References to the Tenure of a Property are based on information supplied by the Seller. The Agent has not had sight of the title documents. A Buyer is advised to obtain verification from their Solicitor. You are advised to check the availability of this property before travelling any distance to view. We have taken every precaution to ensure that these details are accurate and not misleading. If there is any point which is of particular importance to you, please contact us and we will provide any information you require. This is advisable, particularly if you intend to travel some distance to view the property. The mention of any appliances and services within these details does not imply that they are in full and efficient working order. These particulars are in draft form awaiting Vendors confirmation of their accuracy. These details must therefore be taken as a guide only and approved details should be requested from the agents.
