The Old School House, Brinkworth

The Property

Dating from circa 1860, this characterful period home adjoins the village school and has been considerably improved by the current owners in recent years. The property combines period features, including stone mullion windows and Victorian fireplaces, with a number of modern improvements. The ground floor has been extended to create a spacious kitchen/dining/family room, with a vaulted ceiling and doors opening onto a decked terrace overlooking the enclosed mature garden. There is also a dual-aspect sitting room with wood-burning stove, together with a snug/bedroom four, newly fitted shower room/WC and utility room. Upstairs are two good-sized double bedrooms, a single bedroom and a family bathroom. The accommodation offers flexibility and would suit those requiring additional space for family members, a home office or occasional bedroom.

Outside, the mature gardens are well planted and includes a decked terrace. There are two allocated parking spaces, with steps leading up to the front of the property.

The property is situated within an established village community, with countryside walks nearby and good road and public transport links to the surrounding towns and their amenities.
