This well-presented, large Victorian terrace property offers an excellent investment opportunity in a prime location, with an expected rental income of £36,800. The ground floor garden flat is currently vacant and the three bedroom HMO (maisonette) above is achieving £1500pcm. Situated in a highly desirable area, the property is within easy reach of the City Centre, university campuses, and a wide range of local amenities. Albany and Wellfield Roads are just a short walk away, offering a vibrant selection of shops, cafes, restaurants, and bars, while the nearby Roath Park adds further appeal to this sought-after neighborhood.

The property comprises two self-contained apartments. The ground floor apartment features two bedrooms and a spacious open-plan kitchen and living area to the rear, opening directly onto the garden—perfect for modern living. Occupying the first and second floors is a generous three-bedroom HMO licensed apartment, offering well-proportioned accommodation ideal for families, professionals or students.
