DC Lane are delighted to present this well-positioned first-floor studio apartment in King Street. Offered to the market with no onward chain and vacant possession, this purpose-built apartment represents an ideal first step onto the property ladder or an excellent buy-to-let investment opportunity.

The accommodation has been thoughtfully arranged to maximise the available space. The bright and versatile studio room provides clearly defined areas for sleeping and relaxation, complemented by built-in storage and wardrobe space. A separate bathroom comprises a bath with shower over, wash hand basin and WC.

A particular feature of the property is the surprisingly spacious kitchen, offering generous worktop space and ample storage, making it perfect for those who enjoy cooking. There is also room for a small dining table and chairs, creating a practical space for everyday dining.

Externally, residents benefit from access to a communal courtyard, while an allocated parking space adds significant appeal. Parking is a rare advantage within this development, with only four allocated spaces available across the block, making this a highly sought-after feature.

Conveniently located for Plymouth City Centre, local amenities and transport links, this attractive apartment offers low-maintenance living in a central location. A viewing is highly recommended to appreciate the space and potential on offer.
