Tucked away in a quiet cul-de-sac, this is a home that immediately feels calm, cared for and deeply loved - kept with meticulous attention and an obvious sense of pride that is still felt in every room today.

The Oaklands sits within a well-established and popular part of Kidderminster, valued for its peaceful setting while remaining conveniently placed for everyday life. Local shops, schools and green spaces are all close by, with Kidderminster town centre, rail links and road connections easily accessible - making this an ideal location for families, downsizers or anyone seeking a quieter pace without feeling disconnected.

The property enjoys a particularly appealing position, with on-street parking directly outside for two vehicles and additional space nearby. Being set on a corner plot, the home benefits from front, rear and generous side gardens, creating a wonderful sense of space and privacy that's rarely found.

Step inside through the front door and you're welcomed first into a porch, before moving through to the entrance hall - a gentle introduction that sets the tone for the rest of the home. To the front, the bay-fronted lounge is presented in impeccable condition, filled with natural light and offering a peaceful, comfortable space to relax.

Continuing through the hall, the kitchen/diner forms the heart of the home. Thoughtfully laid out, it offers excellent cupboard and worktop space alongside room for a generous dining table - perfect for family meals, celebrations or simply enjoying time together. Off the dining area, a sunroom overlooks the rear garden, creating a lovely spot to sit quietly with a cup of tea, and enjoy the changing seasons.

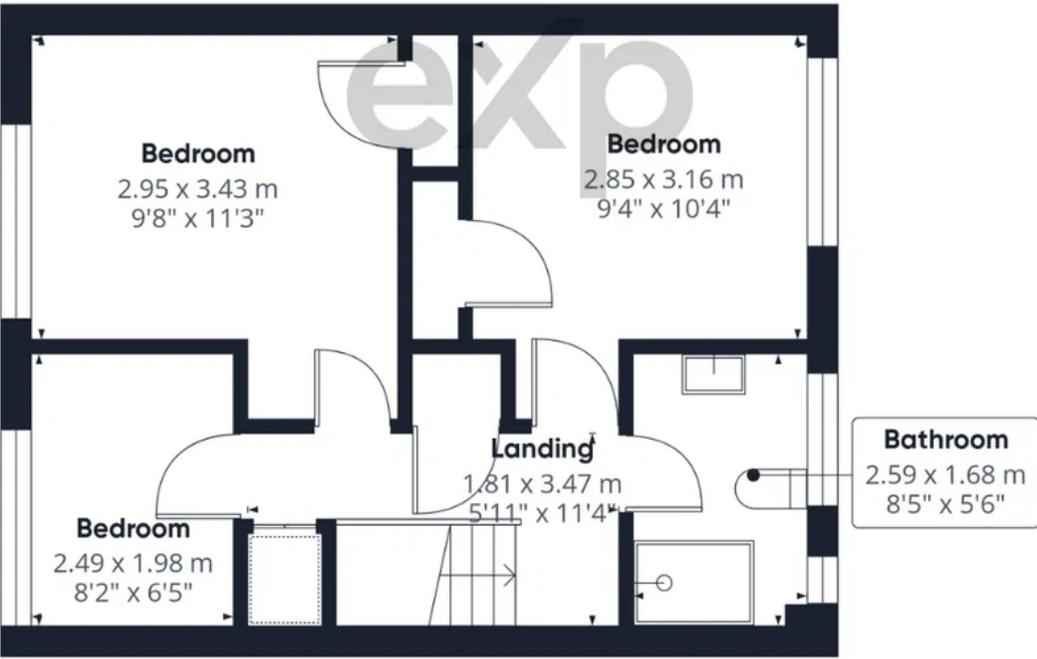

Upstairs, three well-proportioned bedrooms continue the theme of care and presentation, each offering comfortable, versatile accommodation. A fully tiled shower room completes the first floor, finished in a clean, practical style.

At the end of the cul-de-sac, a garage provides useful additional storage, complementing the already generous outdoor space.

Offered to the market with no onward chain, this is a home that has been cherished, maintained and respected - now ready for new owners to enjoy, whether that's as a family home, a peaceful downsize, or a place to settle and grow.
