Benefiting from completed snagging works, tasteful décor throughout and thoughtful upgrades including fitted wardrobes, the property is presented in true walk-in condition and offers a level of finish that surpasses many brand-new homes. The spacious accommodation includes four generous double bedrooms alongside stylish and versatile living space and a stunning open plan kitchen with separate utility room. Every aspect of the home has been carefully considered, creating a property that is both elegant and highly practical. There is a four-piece family bathroom, en-suite shower room to the principal bedroom and a guest cloakroom/WC to the ground floor.

Further highlights include gas central heating and double glazing complemented by solar panels which enhance the home's efficiency credentials, helping to reduce running costs while supporting more sustainable living.

The property is offered with no onward chain due to the seller's overseas relocation, while much of the furniture is available by separate negotiation, providing an excellent turnkey opportunity for the successful purchaser.

## Extras

The carpets, fitted floor coverings, light fittings and white goods are to be included in the sale. Items of furniture are available by separate negotiation.

## Gardens, Garage and Driveway

A particular feature of the home is the sunny south-facing garden providing an ideal setting for outdoor dining, entertaining and family life. The garden is laid to lawn with a patio area and secure gated side return. To the front, a smart garden sets the house back from the street with a monoblocked driveway offering ample off street parking and leading to an integral single garage with up and over door, power and light. The garage provides excellent storage and parking facilities, whilst also offering potential for conversion to additional living accommodation, subject to the appropriate consents. Further visitor parking bays are available on the street.
