Stepping into this beautifully presented three-bedroom semi-detached home in Linford, Stanford-le-Hope feels a bit like scrolling onto a property you know is about to get bookmarked. With sleek modern cladding, a generous driveway, and a garage to the side, it instantly sets a confident, contemporary tone.

Inside, the entrance hall welcomes you into a home designed for real life but with the aesthetic of your favourite home-inspo feed. The kitchen/diner is an immediate highlight—smart, clean-lined and fitted with integrated appliances that make everyday cooking feel just that little bit more effortless. Whether you're batch-cooking, brunch-hosting or TikTok-recipe testing, this space has you covered.

The lounge at the rear brings the wow-factor, stretching across the back of the house and opening through impressive bi-fold doors onto the garden. On sunny days, the whole space transforms into one big indoor-outdoor hangout zone—perfect for BBQs, kids, pets and general living-your-best-life moments. Even better, the garden is not overlooked, meaning you can enjoy the privacy without pulling the blinds every five minutes.

Upstairs offers three comfortably sized bedrooms, ideal for families, guests, or that work-from-home setup you swear you'll tidy tomorrow. A modern bathroom completes the first floor with a fresh, hotel-like finish.

Outside, the side garage provides bonus storage, secure parking or even potential for a future project (gym? studio? hobby room? The algorithm would approve). The driveway takes the stress out of parking, with room for multiple vehicles.

With excellent access to the A13 and M25, commuting becomes less of a mission and more of a manageable part of your day. This is a home that blends practicality with personality — polished enough to impress, relaxed enough to enjoy.
