Description

This lovely family home boasts a superb 23'8 x 10' kitchen/diner, equipped with high-quality eye and base level units in granite work surfaces, with French doors opening out to the pool area. The 23'8 x 11'6 living room is light and spacious with a beautiful original wood floor. The study is found just off of the living room and a further dining room/bedroom 5 with built-in storage areas and recently refitted shower room and French doors overlooking and leading to the pergola. To the first floor, the property has a fabulous master bedroom suite with a modern en-suite and an adjoining dressing room. There are three good-sized further bedrooms and the principal bathroom which has been recently replaced. From the first floor there are views towards South Weald Country Park and the local cricket ground.

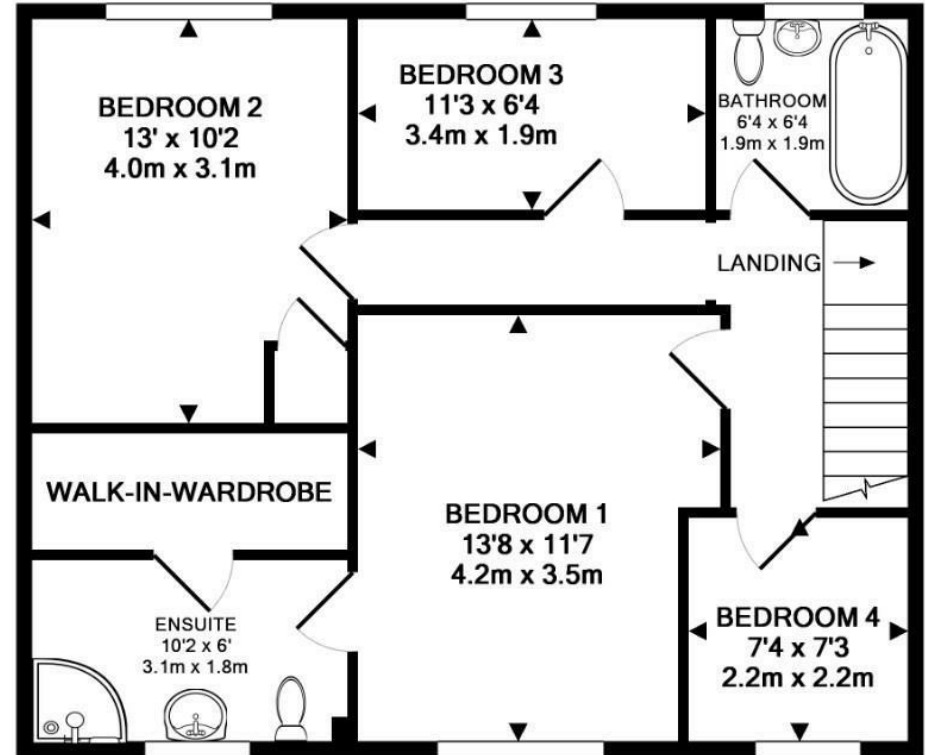

As previously mentioned the property occupies a fantastic corner plot with a wow factor swimming pool, economically heated via a heat pump and high-quality paving, giving lots of space for entertaining. There is a covered pergola and the remainder is laid to lawn with mature shrubs to borders and a greenhouse to remain. To the front is off-street parking leading to a detached garage.

The vendor has made us aware that the house is incredibly efficient to run, even with the heated outside pool, with utility bills just over £150 per month.
