The quality specification is evident throughout and the property occupies a good sized plot with parking and double garage. The accommodation is depicted on the attached floorplan, having the benefit of uPVC double glazing and gas fired central heating. A stunning central entrance hallway with galleried landing above creates a superb "first impression". There are two separate reception rooms and the living/dining/kitchen stretches across the rear of the house with bi fold doors opening to the garden. The kitchen comes complete with an array of fitted units, integrated appliances and quartz work surfaces. Practicalities are catered for by a utility room and downstairs W.C.. Upstairs are a series of five bedrooms, two of which have en-suites and there is a style four piece bath/shower room. A particular feature is the rear aspect across open space beyond the landscaped garden. The gardens themselves have been attractively set out including an extensive paved patio area to the back of the house. In all a fine home of which early viewing is strongly recommended. There is to be no forward chain therefore, early completion should be possible.
