Situation

Buckland Brewer is a sought-after North Devon village with a strong sense of community, offering a primary school, community shop, village hall, recreation ground and popular public house.

The village is well located for access to the towns of both Great Torrington and Bideford, with the North Devon coastline approximately 20 minutes away. Great Torrington offers an array of shops, cafes, and amenities, including schooling for all ages, a supermarket, a traditional pannier market, The Plough Arts Centre, and local butchers, bakers, and greengrocers. For those who love the outdoors, the town is surrounded by 365 acres of common land, perfect for dog walking or family adventures. Bideford is a popular town and working port set on the banks of the River Torridge, offering a wide range of amenities, including schooling for all ages, independent shops and restaurants, five supermarkets, and leisure facilities. Nearby is the Tarka Trail, a well-known walking and cycling route that passes through the town and provides stunning views of the river and surrounding countryside. Also close by are the charming coastal villages of Appledore, Instow and Westward Ho!, the latter renowned for its safe, sandy surfing beach and adjoining championship golf course. The A39 North Devon link road provides easy access to the regional centre of Barnstaple, offering the area's main commercial, entertainment and shopping facilities. The A39 connects to the A361 and continues to Junction 27 of the M5 just beyond Tiverton, providing convenient access to the national motorway network.

This impressive detached bungalow was completed in 2023 and occupies a well-positioned plot within a modern development in the popular village of Buckland Brewer.

Built to a high standard by Allison Homes, the property offers spacious, easy-to-manage accommodation with a contemporary finish throughout, ideal for those looking to downsize or enjoy village living in North Devon. The home is offered for sale with no onward chain and benefits from the remainder of its NHBC warranty.

The accommodation is well planned and includes a welcoming entrance hallway with storage and cloakroom, leading through double doors to a generous open-plan kitchen, dining and living space. This light and airy room forms the heart of the home and opens directly onto the rear garden, creating an excellent space for everyday living and entertaining. The kitchen is well equipped with a range of fitted units, integrated appliances, a central island and ample space for dining and seating.

There are two good-sized double bedrooms positioned at the front of the property, both served by a well-appointed Jack & Jill bathroom which is also accessible from the main hallway. The second bedroom offers flexibility and would work equally well as a guest room or home office.

Outside, the property is approached via a spacious tarmac driveway providing ample off-road parking and access to a large garage/workshop with power and lighting. The front garden is neatly laid to lawn with established planting, while gated side access leads to the rear garden. This has been attractively landscaped to include a patio seating area, level lawn and well-stocked borders, along with a small vegetable bed. The garden enjoys a sunny south-west facing aspect, making it an ideal space to relax and enjoy the afternoon and evening sun.
