Riverside Living With a View...

Morning coffee overlooking the Thames? Evening drinks on your own balcony? This could be the one.

Welcome to this spacious and stylish two-bedroom, two-bathroom apartment at Harrisons Wharf, where contemporary living meets an enviable riverside setting.

Step inside and the real heart of this home is the impressive L-shaped open-plan kitchen/lounge — a fantastic social space that works just as well for a quiet night in as it does for entertaining friends and family.

The kitchen has a sleek, modern feel with high-gloss cabinetry and integrated appliances, while the open-plan design keeps everything connected to the main living area. There's plenty of room to create separate cooking, dining and relaxing zones without losing that spacious, sociable feel.

And then there are those views...

Patio doors lead directly from the living space onto your private balcony, where you're treated to stunning views across the River Thames. It's the sort of outlook that makes you want to sit outside with your morning coffee, watch the river go by or unwind with a glass of something cold at the end of the day.

Back inside, the main bedroom provides a comfortable retreat and comes complete with its own private en-suite shower room — always a big tick when you're buying an apartment.

The second bedroom is also a really good size, giving you plenty of flexibility. Whether it's a bedroom, guest room, dressing room or that work-from-home office you've been promising yourself, the space is there to make it your own.

There's also a separate main bathroom, giving the apartment two bathrooms in total — ideal when guests are staying or when everyone is trying to get ready at the same time.

And the practical boxes are ticked too. The development benefits from lift access, making everyday life that little bit easier, while the property also comes with one allocated parking space.

Stylish interiors. Two bedrooms. Two bathrooms. Private balcony. Allocated parking. Lift access. And stunning River Thames views.

This isn't just an apartment — it's an opportunity to enjoy a completely different kind of everyday view.

Purfleet-on-Thames is a well-connected riverside town in Thurrock, offering a great balance between commuter convenience, waterside surroundings and access to everyday amenities. Purfleet railway station provides direct c2c services towards London Fenchurch Street, making the area particularly appealing to those travelling into the capital, while the A13 and M25 are also easily accessible for motorists. Residents are within easy reach of Lakeside Shopping Centre, with its extensive choice of shops, restaurants and leisure facilities, while the nearby Thames riverside and RSPB Rainham Marshes provide opportunities to enjoy walking and open space. Purfleet-on-Thames is also the focus of significant regeneration proposals, with plans for new homes, a revitalised town centre, improved community facilities and enhancements to the railway station and riverside connections. With its riverside setting, strong transport connections and ongoing investment in the area, Purfleet-on-Thames is an increasingly attractive option for commuters, first-time buyers and those looking for convenient access to both London and the wider Essex area.
