To Be Sold
Jack Charles are delighted to present this beautifully refurbished and extended three bedroom detached bungalow, set within an attractive gated development surrounded by mature woodland. Thoughtfully redesigned and finished to an exceptional standard, the property offers a turnkey opportunity with a fresh, contemporary feel throughout, complemented by landscaped gardens and a strong focus on modern comfort and practicality.

The accommodation opens with a bright and welcoming entrance hall, leading through to an impressive open plan kitchen and living area. This space enjoys a peaceful, private outlook over the rear garden and provides direct access onto a stylish decked terrace, ideal for relaxing or entertaining. The kitchen itself features a sleek handleless design with grey quartz worktops and matching splashbacks, alongside a comprehensive range of integrated appliances including a Samsung Family Hub French style fridge freezer with beverage centre, Hoover washing machine, Siemens gas hob with extractor, combination microwave oven, integrated dishwasher and Brita water filter.

The principal bedroom is a standout feature, with double doors opening onto the garden and access to a well appointed dressing area fitted with contemporary grey wardrobes, leading through to a high quality en suite shower room with walk in shower, WC, wash hand basin, full height tiling and heated towel rail. Two further bedrooms, both with fitted wardrobes, are served by a stylish family bathroom finished in a modern white and grey suite with walk in shower and feature tiling.

Outside, the property continues to impress with a newly laid driveway to the front, complete with an electric vehicle charging point, along with Ring security cameras, video doorbell and alarm system. The south facing rear garden has been thoughtfully landscaped to create a series of generous terrace areas, with external power, lighting and security features, as well as a useful outside store housing a tumble dryer and additional drying space. A garage en bloc is also included, again benefiting from its own electric vehicle charging point.

There is a monthly residents charge of £120, which covers sewage treatment works and the upkeep of the communal areas.
