### The Accommodation

This beautifully presented detached home offers a light and airy ground floor layout, perfectly designed for modern family living and entertaining. Upon entering, you are welcomed by a spacious entrance hall that flows seamlessly into the primary living areas. To the front of the property sits a dedicated office, ideal for home working, and a cozy yet well-proportioned lounge bathed in natural light. The hallway opens into a separate dining room, which offers a versatile space for formal gatherings and features French doors that lead directly out to the rear patio. The heart of the home is the impressive, triple aspect, open-plan kitchen/breakfast room. This contemporary space is fitted with a range of sleek white cabinetry, integrated appliances, and generous worktop space, complemented by a large central

dining area and modern grey floor tiling. A second set of French doors provides effortless "inside-outside" flow to the garden, making it a perfect hub for daily life. Practicality is also well-catered for, with a discreet cloakroom/WC and a storage cupboard located off the main hallway, completing the ground floor.

The first floor is centered around a light-filled landing with access to the loft and a useful airing cupboard. The principal bedroom is a particular highlight, complete with a dedicated dressing room and a private en-suite shower room. There are three further well-proportioned bedrooms, each thoughtfully finished with neutral décor. Bedroom two and bedroom three are both sizeable doubles with views over the front and side aspect, while bedroom four offers flexibility as a comfortable guest room or additional hobby space. Serving these bedrooms is a stylish family bathroom fitted with a classic three-piece suite, including a panelled bath with a shower over and sleek grey wall tiling.
